History

French Catholic Education Since 1924

1921

After administering the Sacrament of Confirmation to the children of Notre Dame des Victoires parish, Archbishop Edward Hanna said to the clergy, "Fathers, we should have a French school here, a school where English would be taught of course, but where the children might also learn French. Let us establish here a center of French culture."

1924

1949

Pére Le Bihan, S.M. expanded the school's facilities to include five additional classrooms, a library, a science laboratory, and a convent.

1951

NDV Mothers' Guild organized the first "Le Bal de Paris" held in the Gold Room of the Fairmont Hotel.

1970

The NDV girls high school closes its doors. In the fall of 1970, French Actor, singer, and entertainer, Maurice Chevalier visited San Francisco, and NDV students welcomed him with a bouquet of roses.

1983

The NDV 2nd Grade class met Queen Elizabeth and Prince Philip when they visited San Francisco.

Greeting

From the Principal

> Our 90th anniversary celebration brought together many alumni who strolled past the storyboards fondly reflecting upon their life and times while at NDV.

Dear Family and Friends of NDV,

There is so much to celebrate! We sent forth into the world of high school a group of graduates from the class of 2015 who were accepted at 21 different prestigious secondary schools in San Francisco and the greater Bay Area. We are proud of their accomplishments and achievements during their tenure at NDV, and congratulate our students as they venture out into their next phase of growth and development.

Our 90th anniversary celebration brought together many alumnae from the girls' high school, as well as alumni from the co-ed grammar school who strolled past the storyboards fondly reflecting upon their life and times while at NDV. The school looked great as various areas have been improved and upgraded making them proud of their alma mater. Several Sisters of St. Joseph of Orange, who originally staffed NDV, also attended as they reminisced about their days spent at NDV. Additionally, members of the Parents' Association hospitality committee prepared a festive reception, which was enjoyed by all.

The technology infrastructure received a major boost during the 2014-2015 school year with a generous grant received from a local foundation, which allowed us to put in place the needed upgrades to handle a larger number of electronic devices. Connectivity to the internet was greatly improved and now successfully supports our acquisition of additional class sets of laptops, Chrome Books and iPads, much to the teachers' and students' delight!

NDV continues to be a strong and well-respected Catholic elementary school in San Francisco. Thanks to the dedication of a talented and caring faculty and staff, each child is supported in a manner that helps them realize their potential spiritually, academically, socially, emotionally and physically. We are blessed by these gifted individuals who encourage and guide the students to be their best selves wherever they are and in whatever they are doing. Service projects planned throughout the school year call them to put the needs of others at the forefront of their thinking where compassion and mercy can be actively lived out. An important Marist value is "Ardent Love of Neighbor" which is a key component of the NDV community.

We would love to have you stop by sometime for a visit. Significant changes have been made at NDV, and yet many things have remained the same.

Warmest regards,

Mary Ghisolfo
Principal
